Best things about your job:

Why did this type of work interest you?

How did you get started?

What trends in the field would be most likely to affect someone just entering this career now?

Words of wisdom for new professionals:

Tell us about a special talent, a special interest, or something unique about yourself you would like to share with fellow members please:

Please send a picture of yourself to be included with this feature.

Feel free to write on the back or add sheets of paper if needed to fully answer questions. You can also leave questions blank if you do not feel comfortable answering the question. Have fun with this! New Member/Member Profiles are about introducing new members and existing members, networking and sharing!

Thank you!
